RE: Application of Daufuskie Island Utility Company, Incorporated for
Approval of an Increase for Water and Sewer Rates, Terms and
Conditions, **Docket No. 2014-346-WS**

Dear Jocelyn:

On July 14th the Commission granted the ORS' Motion to Strike certain paragraphs of the Affidavit of John F. Guastella. As such, DIUC's Request for Reparations remains pending before the Commission.

If it would be helpful to the Commission, the POAs stand ready to submit a proposed order, (subject to DIUC's and ORS' right so to do, of course).

Likewise, in the event the Commission determines that an oral argument on the Request would be useful, the POAs would welcome the opportunity to conduct same.

With kind regards, I am

Yours truly,

s/ John J. Pringle, Jr.
